

Dear past or present tennis players

Thank you for being involved with Scarborough Tennis Academy. We strive to continually improve our coaching and services and hope that you and/or your children have enjoyed the benefits that tennis has in their lives.

It's the first month of summer and school holidays have begun. One of our major activities is school holiday camps. We run full day holiday camps where your kids enjoy the 'American Style' summer camp with activities that include the following:

- Tennis coaching
- Tennis match play
- Soccer skills and match play
- Multisport activities (frisbee etc)
- Board games
- TV (just a little bit)
- Morning tea, afternoon tea and lunch breaks

Make no mistake about it, Summer Camps are primarily about fun but along with that comes social skills, leadership skills, coordination improvement and obviously a turbo charge to their tennis game.

We have had great feedback and now want to make sure that everyone has the opportunity to try out a camp this summer.
